### What Daryl Did

Established a "golden path" for lead generation and client acquisition process from the first to the sixth purchase. Analyzed 20,000+ orders to determine who their best customers are, where they come from, and how they make their purchases.

Set up a paid advertising campaign for the first step their best customers took and automatically sent the next promotions for the second, third, fourth, fifth, and sixth products at the appropriate time.

Results

Turned one-time buyers into multi-buyers in a predictable way Many people who bought a one, bought a second and third item.

• Immediate profit from paid ads was \$212,484 but if we include back end sales we grew her business by almost 26% or \$578,425.67.

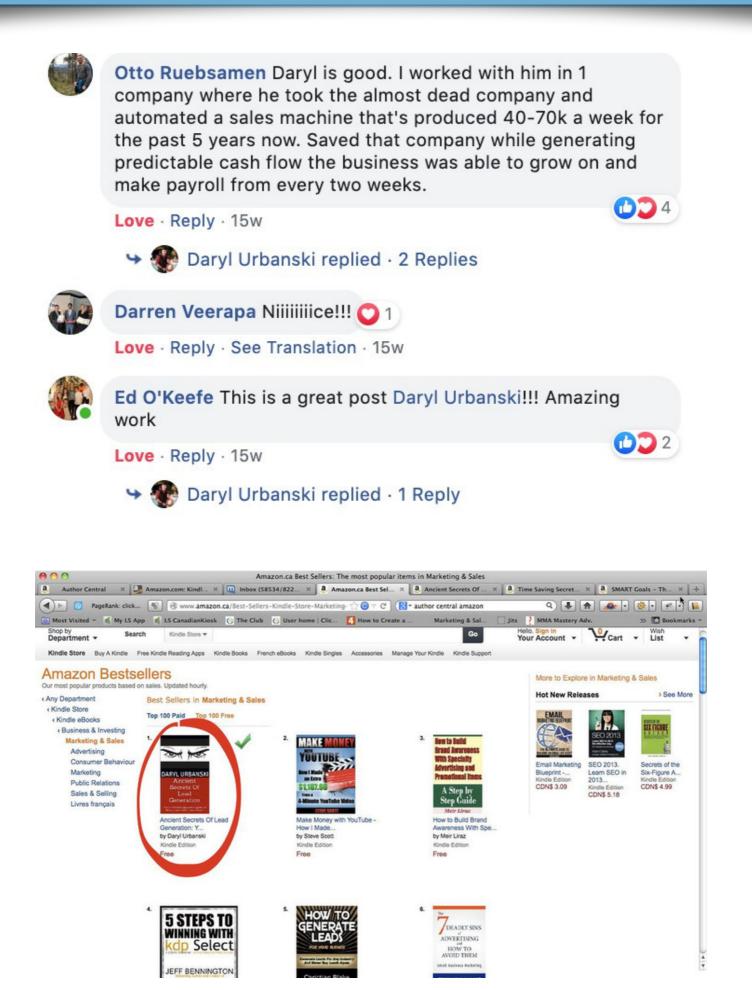

Produced a larger buyer base and enabled her to expand them without outside support.

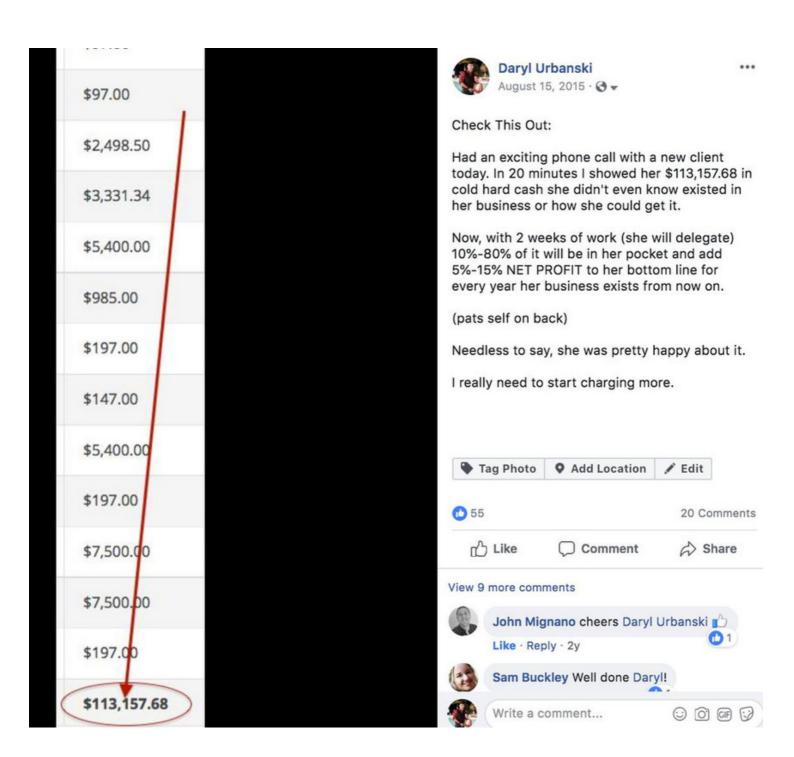

### Why It Was Smart To Work With Daryl

It was smart because he successfully helped her run a profitable paid ad campaign. The money she spent grew at least three times. She now has a larger list plus the ability to grow her list without any outside endorsement. She has a predictable way to turn first-time buyers into multi-buyers. She also has a clearer idea of who her target market is, who her best buyers are, and the multiple ways to reach them.

This has now become a cornerstone part of her business-enhancing every single big promotion she has done since then... with a bigger email list plus an understanding of how to use paid ads.

## **CASE STUDY**

## Almost Bankrupt to \$1.6 MILLION USD in 9 Months with a Single Marketing Strategy

Our case study for today is the **CEO** of a company that offers online personal development courses.

Catering to women who follow Deepak Chopra, the movie "The Secret," and John Assaraf, he provides coaching on mindset, hypnosis, neuro-linguistic programming, and positive affirmations.

The company encountered a stumbling block: multiple attempts to launch a flagship product—a \$20/month mindset membership—had failed. They found themselves on the verge of bankruptcy.

The CEO and his team had to do everything in their power to save the business. Either they go big or they go home penniless and insecure.

## Objectives

Generate funds to keep the business moving forward. Launch products that sell. Market the brand.

#### What we did

Established a standard lead generation and client acquisition process using a six-hour webinar.

Harnessed the company's 50+ strategic partner promoters which

earned the company approximately \$550,000 from about 600 orders.

Sold \$997 one-time or \$397 three-time payment plan, with around 50 percent of sales going to the partners.

Gave a Contact Us number and assigned two phone sales reps to take inbound calls.

Placed outbound calls to anyone who hit the order form during the

<sup>•</sup>broadcast or clicked to see the order form from a post-event email but didn't purchase.

Created split tests for each step of the process when the partners were promoting.

Made A and B versions of registration pages, reminder emails, order forms—everything.

Took the winning versions and then set them up to play as if live but on an automated basis.

Set up the process to run from Sunday to Saturday each week, automatically.

Ran the six-hour event on Saturdays.

Sent multiple pieces of pre-event videos and homework materials via email to build excitement.

Uploaded buyer emails to Facebook Ads and made a lookalike list.

• Created three ads with a \$500 budget and ran them on Facebook

to the lookalike audience of our 550+ buyers to register for the event "happening this week".

Doubled the ad spending using the profit from the week before.

### Results

Earned \$1.6 million in front-end sales (excluding back-end products and services sold).

Made \$7 million in sales in just under three years.

- Installed a massive income stream, including paid ads and
  - customer service, requiring only three or four people to run it. Launched several other products under the new company brand.
